STAR HOUSE serves youths ages 14-24, one of the most vulnerable populations worldwide. It is estimated that 1,200 to 1,500 homeless youths and youths in transition exist in Central Ohio. These youths live directly on the streets or in abandoned buildings, or couch surf among friends' homes. Most are disconnected from their families, and all are underserved by communities, left to fend for themselves on the fringes of our society. With limited rights and privacy, they have little access to services and supports needed to survive independently. These youths are at high risk for human trafficking, HIV and Hepatitis C infections, and victimization. In 2014, STAR HOUSE served 724 homeless youth that visited the shelter more than 17,000 times. Star House is a 24/7 drop-in shelter where youth can get food, hygiene items, tents, and other items to help them survive on the streets.

The "Annunciation" Cathedral is a giving place. If someone in our parish passes away and is indigent, we will bury them. If there is a crisis in the world whether it be Orthodox or not, we will collect a second tray to give help where it is needed. If we can help, we will. Just ask.
